Comfort Bench (Seat/Long Seat)

Codice: **245**

Each module is composed of a tubular steel frame, section 50x30 mm and of flat iron, section 50x8 mm entirely hot-dip galvanized and assembled with Nordic pine wood planks pressure treated, section 60x30 mm. The modules are assembled together by forming a deckchair on one side with leg support and a classic seat on the other side. Supplied in an assembly kit with galvanized steel bolts. Anchorage system: to be fixed on the ground.
