Comfort Bench (Two Seats)

Each module is composed of a tubular steel frame, section $50 \times 30 \mathrm{~mm}$ and of flat iron, section $50 \times 8 \mathrm{~mm}$ entirely hot-dip galvanized and assembled with Nordic pine wood planks pressure treated, section $60 \times 30 \mathrm{~mm}$. The modules are assembled together by forming two classic seats, one on each side. Supplied in an assembly kit with galvanized steel bolts. Anchorage system: to be fixed on the ground.
