Giochipark
un mondo di sorrisi

La nostra azienda

Dal 2003, la continua crescita aziendale ha visto l'affermazione internazionale del marchio **Giochipark** (appartenente alla nostra società Dimo Group) che è sinonimo di qualità, stile e comfort nella produzione di giochi, arredo urbano e fitness per esterno ed offre prodotti e servizi evoluti ad un mercato globale sempre più esigente.

Dimo Group si avvale di una Rete Commerciale, in Italia e in Europa, costituita da Agenti, Concessionari e Rivenditori di alto profilo che, oltre a curare la fornitura degli articoli, offrono servizi con la massima competenza per tutte le esigenze pre e postvendita (progettazione, installazione e manutenzione). L'azienda si attesta leader nel settore a livello internazionale.

La nostra storia

Correvano gli anni '60, quando il sig. Alessio Dimo, giovane fabbro artigiano, si avventurò a costruire uno scivolo in ferro per soddisfare la richiesta ricevuta dal Parroco di Ugento. Fu così che con intuizione e coraggio il sig. Alessio decise di intraprendere questa strada creando una piccola gamma di articoli. Oggi vantiamo oltre 50 anni di esperienza, raggiunti con continua innovazione e dedizione, caratteristiche che hanno permesso al sig. Alessio e ai suoi figli di trasformare quella che era una piccola attività artigianale in un'azienda leader nel settore nazionale e presente in diversi mercati esteri.

La nostra struttura

Dimo Group svolge i suoi cicli produttivi in due siti industriali, a Racale e Ugento, e dispone di 7.500 mq di opifici per la produzione e la logistica, di 950 mq per gli uffici amministrativi, tecnici e commerciali e di 30.000 mq di superficie scoperta.

Come Lavoriamo

Consideriamo fondamentale la soddisfazione del cliente. Per questo abbiamo articolato un'organizzazione aziendale sempre all'avanguardia nella cura del cliente, nell'offerta di prodotti e servizi certificati a norma, e nella gamma di articoli ricchi nelle forme e nei contenuti. L'entusiasmo, l'ambizione, l'originalità del design, la scrupolosità nella ricerca della qualità anche nei più piccoli dettagli, caratterizzano da sempre il nostro modo di fare impresa. Metteteci alla prova!

ARREDO
urbano

Questo microcatalogo sintetizza in maniera essenziale il nostro catalogo generale e, come esso, si compone di 11 sezioni contraddistinte ognuna da altrettante icone e da una colorazione che aiuta la ricerca dei prodotti desiderati: buona consultazione!
